

A Message Regarding COVID-19

Goodway Bakery takes the health of its customers and community seriously. Since it first surfaced, our teams have been monitoring the situation closely and are taking every precaution to keep our customers, associates, and communities safe.

Following guidance from the Centers for Disease Control and Prevention in response to COVID-19, we have coordinated a more extensive cleaning and sanitizing of our workplace.

We've made hand sanitizer and antibacterial hand soap available to our workers, and are communicating best practices and preparedness measures to ensure a healthy environment for our workers.
